OUR CLIENTS

BP AZERBAIJAN

Anvar Bakhshiyev BP

*Lead Project
Engineer*

On behalf of BP Azerbaijan, I would like to take a moment to express our appreciation to Vertex Company. I generally wish to leave my comments considering the following operations on systems: HVAC, Fabrication, Installation, Line-check and Testing. I am extremely impressed with Vertex's professionalism, quality and moreover, the commitment displayed to the project as a whole. I believe this Company to be a very capable Contractor, and would have absolutely no reservations in recommending them for future work up to, and above this project volume.

SAIPEM AZERBAIJAN

Giulio Credali

*Saipem - Offshore Asset Area
Manager (Eurasia and Middle East)*

I am writing to express my sincere appreciation for the exemplary manner in which Vertex Company performs projects, from preliminary estimates and value engineering to final completion and closeout. The problem-solving ability of Vertex team and their attention to detail and quality made the electrical and mechanic works phase of the project a most satisfying experience, which, in today's world, is unusual, to say the least.

ALPINE BAU DEUTSCHLAND
GLOBAL ENGINEERING
AND CONSTRUCTION COMPANY

Rolf Herr

*Commercial
Director*

We hereby confirm that Vertex Ltd. of Baku supported our electrical department to complete our comprehensive site Installation and other temporary electrical works in due time, in order to enable all other parties of the project to work on a 24 hours basis.

FLUOR GLOBAL ENGINEERING
AND CONSTRUCTION
COMPANY

John Arrowsmith

*Construction
Manager*

I am writing this letter to recommend the services of Vertex LLC. The company have successfully completed such projects as:

- Engineering, Procurement, Installation and Termination of Fire Alarm Cables for our PP/HDPE Project and Power Supply to Mimic Matrix Panes. We are happy for choosing Vertex LLC within the scope of PP/HDPE Project (Polymer Factory).

PARESA MULTI-DISCIPLINE
STORAGE TANKS ERECTION
AND REPAIR COMPANY

Alessandro Lupo

Site Manager

Vertex Company is our partner since the beginning of our activities in Azerbaijan, in 2017. However, they showed themselves as professional company with qualified specialists. They were providing us with:

1. Certified man-power,
2. Electrical system installation,
3. Port-cabins manufacture and installation,
4. Site infrastructure erection and other works.

CAMERON,
A SCHLUMBERGER
COMPANY

Murad Hasanov

*Project Operations
Manager*

Wanted to take a moment to recommend Vertex Company and its staff on the various repair works, electric, maintenance, isolation, etc. projects that were completed in an extremely timely and professional manner with very little disruption to our business starting from 2007 up to now. Because of the workmanship, reliability, and professionalism of your staff, your company was our first choice for the major isolation and repair activities in 2013. We would highly recommend Vertex Holding to any entity, in any industry, because of the quality of craftsmanship and professional staff.
